

OUR MANIFESTO

This
is the
story
of UN

UNDIE is your beginning.

UNTIE the expected ending.

UNCHAIN yourself from the status quo.

UNSHACKLE yourself from what you know.

UNDO your past.

UNLEARN what they said in class.

UNLIKE. And if it's not too late, **UNHATE.**

UNTHINK about ancient achievers.

UNBELIEVE in churches of deceivers.

UNCOLONISE a continent.

UNMUTE and damn the consequence.

UNFOLLOW except for yourself.

UNBROADCAST the majority view.

UNBULLIED by the likes of you.

UNCOMPLICATE. When they speak hate, it's hate.

UNCULTURE if they practise harm.

UNARM.

UNNEED anything in your veins but potential.

UNCONDITION yourself from the not-so-specials.

UNSUBSCRIBE to feel alive.

UNLEASH the fire and the fury.

UNAFRAID to be your own judge and jury.

UNCIVILISE.

UNCOMMIT.

UNCOVER the lies and the bullshit.

UNSTEADY but unwilling to admit defeat.

UNAUTHORISED to be a sheep.

UNFEAR and you will be free.

UNBROKEN, UNBLOODY and **UNBOWED.**

There is only now.

Unlimit Your Life.

THE UNLIMITED
