

Damon Beard to support Love Day

POPULAR deejay and regional personality, Damon Beard, has booked his spot for The Unlimited's Love Day. Damon says he jumped at the opportunity to transform five crèches and make a difference in the lives of 330 children.

"I can't wait to get involved, whether it's painting walls, fixing jungle gyms or entertaining the kids," said Beard.

He is appealing to the upper Highway community to get involved.

"So often people ask me what they can do to help in the community. This is the perfect opportunity to make a difference and give back to the less fortunate among us, and is even more special because we're helping children. Thanks to The Unlimited we have an unbelievable opportunity to make a massive difference in many little lives."

The event takes place from 8am to 3pm. Buses will transport volunteers to and from the crèches and water and snacks will be provided. For more information on The Unlimited's Love Day or to book your spot for the day, go to www.love-day.co.za.
